

Van Gogh's workshop

Name	Van Gogh's workshop
Description	<p>We start our trip with a visit</p> <p>1- A tour of Kamal's Taif rose factory - watching traditional distillation methods and how to make perfumes from these roses. Roses are collected from farms and pumped into rose distilleries and perfumes are extracted. It is also known that Taif roses are the most expensive types of perfumes in the world.</p> <p>2- Visit Dammath Resort, which is in the nature of heritage details that blend for you the present of Taif and the authenticity of the past of our ancestors - an activities section for children and the desert - archery - waterfalls - mountain sessions - small tents - a coffee shop that serves drinks of the past - and popular and modern dishes. And watching the animals - and the horse stable, where everyone can enjoy watching the horses in addition to handling them and photographing, with the possibility of riding horses - watching the Bedouin-Arab sessions, group games and activities.</p> <p>Enjoying the desert nature, the authenticity of the past, and enjoying the picturesque landscapes</p>
